## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 102***

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-5 and 8-14 are rejected under 35 U.S.C. 102(b) based upon a public use or sale of the invention. On the “Information Disclosure Statement” filed 2/15/2005 Applicant stated, “The invention was offered for sale in an initial order-writing campaign with dealerships on or about July 2002. Also, a machine embodying the invention was shown to the public at the Husker Harvest Day show, which ran from September 12 through 14, 2002.” Applicant’s application was filed on 10/28/2003. Applicant admits that the invention was on sale in the US and in public use in the US more than One year prior to the date of application.

Note: Numbers 6 and 7 were skipped in the number of the claims. Therefore, there are no claims numbered 6 or 7.
